

## Mission, Vision, and Philosophy

At iLEAD Schools, our mission can be stated simply: "Free to Think, Inspired to Lead." Our vision is to use project-based and social-emotional learning concepts to inspire and motivate lifelong learners with the skills they need to lead in the 21st century.

## Purpose of Brochure

The programs and organizations listed in this publication are available to learners with disabilities. Also listed are resources aimed to support parents on special education topics. **To access resources listed, please visit the listed providers website and contact information.**
